

Proposal to approve a NW Central Roundtable

NW Central Roundtable

The objective of this organization is to provide a means for sharing continuing education events and resources for library staff throughout Oregon via the Northwest Central website. The specific aims of the round table are to:

- 1) Harvest continuing education content for an events calendar
- 2) Act as a repository for OLA conference materials
- 3) Provide a platform through which the library community can publicize events and resources
- 4) Collaborate with the library community in Oregon
