<b>Comments</b>	<p>This year's Summer Reading Chair took a leave of her position halfway through her term due to her pregnancy. A colleague stepped up, took over and completed her term (and did a great job!). Thank you Josie Hanneman!</p> <p>Our 2011-2012 Summer Reading Chair, Kendra Jones, had to resign her position after getting a job in a different state.</p> <p>Josie and Kendra represented Oregon at the CSLP Annual meeting in Arizona this past Spring. <b>Objectives and activities for current year</b>	<ol style="list-style-type: none"> <li>1) Continue to share information with the membership in a variety of formats: the quarterly OYAN Review newsletter, the OYANpeeps.wordpress.com blog, the annual Book Rave booklist, OLA/OYAN website and in person at quarterly membership meetings;</li> <li>2) Support professional development by offering standalone workshops, presentations at conferences, and offering scholarships; and</li> <li>3) Advocate for teens and teen services by increasing collaboration with other organizations, highlight excellence in teen services by awarding the OYEA!, and support the new ORCA book award.</li> </ol>
<b>Progress on goals and objectives</b>	<ol style="list-style-type: none"> <li>1) The four OYAN Review newsletters were produced and published via email and on the blog. The 2011 Mock Printz workshop was attended by 37 teens and library staff. One scholarship was awarded to Dana Campbell. <b>OLA unit</b>	<b>Support Staff Division</b>
<b>Name</b>	Susan Bacina
<b>Work or Primary Email</b>	susan.bacina@oregonstate.edu
<b>Overall Goals &amp; Responsibilities</b>	SSD's goal is to inspire and promote professional growth for library support staff through networking, conferences, workshops and mentoring. SSD's responsibility is not only to work to acheive these goals for support staff, but also to be an active contributing partner to the overall goals of the Oregon Library Association.
<b>Objectives and activities for current year</b>	<ol style="list-style-type: none"> <li>1. Successfully participate in the annual OLA Conference.</li> <li>2. Continue to build a cadre of involved members willing to take on leadership positions in the organization. Communicate inclusiveness.</li> <li>3. Build accessibility scholarship funds.</li> <li>4. Develop an SSD presence on Facebook. Continue to be open to new means of communication.</li> <li>5. Put up a historical overview on the organization on the web.</li> <li>6. Make new resources such as a business card template available to members.</li> <li>7. Promote and support the Library Support Staff Certification program, and other professional development opportunities for support staff.</li> </ol>
<b>Progress on goals and objectives</b>	<ol style="list-style-type: none"> <li>1. We now have a full slate of officers. One of SSD's goals was to be more inclusive and that included encouraging participation of members from all geographic locations in the state. We are pleased to have added SSD Board members from the southern Oregon coast and eastern Oregon.</li> <li>2. We will be starting to use Skype to make it easier for those who can't easily travel to meetings to attend. We will try it for the first time at our next meeting in mid-August.</li> <li>3. We have funding for an accessibility scholarship, though we have not publicized it as of yet.</li> <li>4. We have ramped up our facebook presence, using it as another forum to disseminate SSD news and information. We are now up to 67 "friends", as well. I think it started out with 4 or 5?</li> <li>5. Though we have not put up the historical overview on the web yet, we did have a great poster at OLA that traced our history. The SSD Archivist is continuing to digitize our Archives as time permits.</li> <li>6. We have worked up a business card template, but there have been bugs in getting it out to the members.</li> <li>7. We collaborated with the State Library on an ALA scholarship for certification training, offering and granting a matching funds scholarship amount.</li> <li>8. We gave scholarships for OLA conference attendance, certification, and SSD conference attendance as well.</li> <li>9. We sponsored 4 sessions at the OLA Conference: Stable libraries, stable jobs; Treasures from the vault; Author, author; ALA-APA LSSC -- Meet the candidates. Also, Can I wash my fruit with Comet?: discovering how to "go greener" at work and at home -- SSD "sponsored" this, but in fact all we did was introduce it. We also organized a pre-conference on diversity with Dr. Anne Schaubert that ended up being cancelled because not enough people signed up for it... suspect it was a victim of current economic times.</li> </ol>
<b>Goals for 2011-12</b>	<ol style="list-style-type: none"> <li>1. Market OLA/SSD to support staff (and their libraries).</li> <li>2. Come up with successful sessions for the 2012 OLA conference.</li> <li>3. Continue to digitize our Archives.</li> <li>4. Use Skype, as well as conference phone, or polycom, for distant meeting attendees.</li> <li>5. Continue to explore ways to help those who can't travel easily to meetings, for whatever reason, to become more involved with SSD and/or OLA.</li> <li>6. Continue to research ways of communicating SSD activities to all support staff around the entire state, including non-members.</li> </ol>
<b>Comments</b>	<p>The SSD Chair and SSD Continuing Education Committee Chair both attended the WALE Conference in Seattle last October. There has been some discussion of having a joint conference at a future date.</p> <p>The Past Chair did a literature review on Barriers to Participation in Library Associations.</p> <p>Our 2011 Gateways conference looks to be a good one, in a great setting at the Oregon Gardens in Silverton.</p> <p>Progress has been made on removing barriers, with the vetting of the virtual meeting software and SSD's purchase of Skype cameras, but attitudinal barriers will be harder to break down, especially in the current economic times.</p>

<b>Overall Goals &amp; Responsibilities</b>	Monitoring local, statewide, and federal issues that pertains to both the OLA and the OASL. Out main project for the past year has been educating and advocating for a potential merger between the OLA and OASL.
<b>Objectives and activities for current year</b>	The committee's main project this year was the merger - advocating and educating both OLA and OASL members, and trying to identify potential issues that they have.
<b>Progress on goals and objectives</b>	<ol style="list-style-type: none"> <li>1. Committee members went to the OLA regional conferences and put information in the monthly OASL newsletter.</li> <li>2. Discussed the potential merger with the OASL board in May, who agreed that they would put it out for a vote.</li> <li>3. A small presentation was given during a panel at the OLA conference.</li> </ol>
<b>Goals for 2011-12</b>	<ol style="list-style-type: none"> <li>1. We will continue to educate and advocate for a potential merger.</li> <li>2. The merger task force will try to meet with the OLA board at its retreat to hash out issues, including setting up a merger task force within OLA. Details that need to be figured out include the sharing of projects, the tax status for OASL, and membership dues.</li> <li>3. Members of the committee are going to further educate parents and students about HB2586 and its mandates, as well as advocating for librarians in schools. Strategies include tying school and public libraries into reading proficiency needed for high school graduation, monitoring reading scores to see if there is a correlation between the lack of libraries and lowered scores, look at the statistics for IB schools, and advocating with the governor's education policy person.</li> </ol>
<b>Comments</b>	Ideally, we would like to do another journals joint issue - possibly following the merger. We want a cross-pollination between school, academic, and public library-related articles.

<b>Overall Goals &amp; Responsibilities</b>	1. Maintain the Oregon Authors web site by finding entries from newspapers across Oregon and editing entries submitted by Oregon authors. The Web site includes a homepage blog and events calendar for Oregon Libraries.	To coordinate and manage the production of OLA's official journal, the OLA Quarterly (OLAQ).
<b>Objectives and activities for current year</b>	1. Maintain, refine and edit web site. Market web site. Maintain a steady flow of entries from newspaper clippings. 2. Transfer of web site authority for the Oregon Libraries Directory to the Oregon State Library.	1. To produce four issues as scheduled. 2. Explore a merger with the Communications Committee.
<b>Progress on goals and objectives</b>	Maintain steady flow of entries to the website. Chris Adams, at the State Library, has been working to transfer site authority to state system since last Fall. Last I heard it could not be completed until June 2011, waiting to hear his progress.	1. The four OLAQ issues published in the 10-11 year were: <ul style="list-style-type: none"> <li>• 16.3 Fall 2010 - Open Libraries: More than Just Open Books or Open Doors by Matthew "Buzzy" Nielsen</li> <li>• 16.4 Winter 2010 - Doing More with Less: Creative Strategies in the New Economy by Tricia Juettemeyer</li> <li>• 17.1 Spring 2011 - Library Wonders and Wanderings: Travels Near and Far by Pam North</li> <li>• 17.2 Summer 2011 - Vision 2020 by Anne-Marie Deitering</li> </ul> 2. Consulted with Chair of Communications Committee, April Witteveen, the OLA President, and the Parliamentarian about merging the two committees. Drafted revised bylaws and a proposal which was presented to OLA Board. The Board approved merging the two into one Communications Committee. Updated OLA Quarterly website and masthead to reflect this change.
<b>Goals for 2011-12</b>	Still waiting for a technology manager to massage the website. To make it so it is capable of handling co-author issues, upgrading indexing & generally using the site.	This committee is no longer. See Communications Committee for Goals.
<b>Comments</b>	Since it still has not been filled I will just repeat Kims Comments from last year: Now that the technology manager position is mandatory (see by-laws), the committee needs support from the OLA Board to fill this position. The position needs to be appointed to someone with technical expertise, good communication skills with demonstrated responsibility and accountability.

Work with ILAGO once again to co-sponsor and help shape the IL Summit.</li> <li>2. Gather membership for a Business Meeting at OLA.</li> <li>3. Work on recruiting new members and officers.</li> </ol>
<b>Progress on goals and objectives</b>	Useful links and legal reference resources were added to the LRRT website. Emphasis was placed on resources that are helpful to public librarians. The Chair worked with the OLA Lobbyist to determine OLA's stance on legislative bills affecting county law libraries. A new Chair, Holly Gerber, was elected at the Annual Business Meeting, and Ismoon Hunter-Morton will continue as Vice-Chair.	<ol style="list-style-type: none"> <li>1. LIRT co-sponsored the IL Summit and the chair, Kate Rubick, served on the planning committee and co-facilitated one of the Summit work groups.</li> <li>2. The Business Meeting was held at OLA on April 2.</li> <li>3. Michele Burke has agreed to serve as co-chair this coming year and to take over as chair next year as long as there is someone willing to replace her as co-chair.</li> </ol>
<b>Goals for 2011-12</b>	<ol style="list-style-type: none"> <li>1. Continue working on a legal reference resource for L-net librarians</li> <li>2. Continue to improve the LRRT website to include more resources for public librarians</li> <li>3. Explore ways to provide legal reference training to public librarians throughout the state, particularly those in counties without fully-staffed county law libraries.</li> <li>4. Determine if quarterly round table meetings would be feasible and if such meetings would better facilitate progress towards reaching annual goals</li> </ol>	<ol style="list-style-type: none"> <li>1. Continue sponsorship of and involvement with the ILAGO IL Summit in 2012.</li> <li>2. Collect nominations and send out bylaw amendments by January of 2012 in preparation for the next LIRT roundtable meeting (OLA Conference, Riverhouse, Bend, OR, April 2012).</li> <li>3. Upon the merger of OLA with the Oregon Association of School Libraries (OASL), LIRT reach out to OASL and explore opportunities for partnerships, collaborations, and recruitment.</li> <li>4. Similarly, LIRT should work with SLIM to recruit more student membership.</li> </ol>
<b>Comments</b>		Jane Scott began a process of articulating and formalizing a way for OLA units to partner with groups such as ILAGO and the Alliance Research Interest Group (ARIG). A taskforce has been formed to consider these relationships, but (as far as LIRT officers know) has not met.

<b>OLA unit</b>	<b>Library Preservation Round Table</b>	<b>Outreach Round Table</b>
<b>Name</b>	Robyn Ward	Cynthia Peterson
<b>Work or Primary Email</b>	robynw@clark.edu	cynthiap@wccds.org
<b>Overall Goals &amp; Responsibilities</b>	To provide a framework for the sharing of information among librarians, library workers, and library supporters interested in preservation activities in all types of libraries.	The ORT provides a framework for information sharing, continuing education and moral support for library workers currently providing outreach services; and to offer opportunities for networking and encouragement to libraries wishing to expand or develop library outreach services. Areas of interest include, but are not limited to library service to people of all ages who can no longer use a library facility due to either a physical or mental impairment, people who live in rural or remote area without a library, non-English speakers, the incarcerated, the homeless, and low-literacy adults.
<b>Objectives and activities for current year</b>	To improve internal communication between RT members; to endorse the regional activities of the Western States and Territories; to collaborate and support the IMLS Connecting to Collections initiative and to collaborate with and support Alliance for Response.	<p>(1) Organize OLA 2012 Preconference full day. We will charge approximately \$60. Topics will include:</p> <ul style="list-style-type: none"> <li>• Citizenship → materials sharing; what's in your community</li> <li>• Cultural Diversity → cultural uniqueness; GED; recognize and meet needs of your communities; special collections</li> <li>• Outreach to Traditional Audiences → bookmobiles, jail, homebound, etc; how to</li> <li>• High Skilled Volunteers → how to use them</li> <li>• Steps to Get Started → hash out ideas; what works; share ideas</li> <li>• Two Table Talks → three groups, rotating to 2 tables</li> </ul> <p>(2) Build a bigger member base. Ideas include:</p> <ul style="list-style-type: none"> <li>• Developing a Listserv</li> <li>• Getting approval for and forming a Latino Roundtable for those working with that population</li> <li>• Make grants/funds available for Outreach</li> </ul>
<b>Progress on goals and objectives</b>	Continued to endorse the activities of Western States and Territories; met with the Oregon Heritage Commission and Oregon Museums Association to support the undertaking of a statewide preservation survey with the IMLS Connecting to Collections (C2C) grant; collaborated with C2C group in analyzing survey results and being involved in forming a group to continue with an IMLS C2C implementation grant; we also provided a letter of support for the Community Preparedness Grant that funded the Building Bridges forum and also provided logistical support during the event from this involvement we are now supporting efforts and for a Alliance for Response forum.	As a Round Table, we have come alive again. We want to remain visible to library staff and library administrators and the public in general, as we serve those individuals who are often marginalized by other public services and programs. The ORT wants to help libraries stay relevant in the lives of all individuals in communities around Oregon. As it is difficult to find a meeting place and date to gather, and difficult for Outreach staff at libraries to get away from a day's obligations, we assembled for a business meeting at the OLA Conference April 2011. About seven people attended.
<b>Goals for 2011-12</b>	Will be involved in follow up grant to the IMLS C2C; active involvement in Alliance For Response event; OLA Annual conference presentation as well as an OLA Quarterly issue on the C2C grant	<p>(1) OLA 2012 Pre-Conference.</p> <p>(2) Jane Salisbury will be Chair of the ORT beginning Sept 2011.</p> <p>(3) Investigate creating a listserv for the ORT.</p>
<b>Comments</b>	Sponsored an OLA pre-conference on book repair and presented at the OLA annual conference on the C2C findings and statewide survey.	Still feeling the effects of tough economic times and low membership numbers.

<b>Overall Goals &amp; Responsibilities</b>	Support the organization by means of various methods, but especially fund raising at conference for the scholarship.
<b>Objectives and activities for current year</b>	Moved on from bumper stickers and tattoos to wristbands.
<b>Progress on goals and objectives</b>	We sold out very quickly (due in no small part to the naivete of the RT chair in anticipating how popular the wristbands would be).
<b>Goals for 2011-12</b>	To increase our profit on conference fund raising

<b>Objectives and activities for current year</b>	To organize and promote additional workshops around the state. A Library of Congress Classification Workshop is being planned. To organize and promote programs at OLA Annual Conference 2012.
<b>Progress on goals and objectives</b>	<p>1) Meetings:</p> <p>a) August 2010, the TSRT Steering Committee met in Eugene, Oregon and proposed presentations and presenters for the coming OLA Annual 2011 Conference. All members followed up with contacting possible presenters and the presentations were proposed and accepted by the OLA Conference Planning Committee.</p> <p>b) Our TSRT Business Meeting was held on Thursday, April 7, 2011 from 5:30-6:30 p.m.</p> <p>c) TSRT Steering Committee will meet on August 5, 2011 to plan activities for 2011-2012.</p> <p>2) Technical Services Round Table sponsored workshops, OLA Annual preconference and presentations:</p> <p>a) "A MarcEdit Workshop with Terry Reese," November 8, 2010. The workshop was well attended. Lori Robare and Ann Miller made arrangements and completed the financial responsibilities. Iris Godwin completed the advertising and evaluations for the steering committee to review in its closing meeting usually held in July or August of the next year.</p> <p>b) At OLA Annual Conference 2011, TSRT sponsored one pre-conference, RDA 101, seven programs or presentations and co-sponsored two OCLC presentations. All Steering Committee members helped in some way. A table promoting membership in TSRT provided an opportunity for many of our Steering Committee members to meet the members of TSRT as they stopped to talk and pick up a free bookmark or candy.</p>

<b>OLA unit</b>	<b>Archives Task Force Special Assignment</b>	<b>Branding Task Force</b>
<b>Name</b>	Jessica Rondema	Connie Anderson-Cohoon
<b>Work or Primary Email</b>	jessica.rondema@state.or.us	anderson@sou.edu
<b>Overall Goals &amp; Responsibilities</b>	Maintain the official OLA Archives and assist OLA units with their archival needs.	Oversee the redesign of OLA's logo.
<b>Objectives and activities for current year</b>	Finish sorting, weeding, and organizing existing archives from 1981-2010 and compare with retention schedule.	<ol style="list-style-type: none"> <li>1. Receive approval from the Executive Board for a budget for the logo redesign.</li> <li>2. Write an RFP inviting proposals from graphic designers.</li> <li>3. Award contract</li> <li>4. Work with graphic designer on idea "seeds".</li> <li>5. Review preliminary designs</li> <li>6. Narrow choices</li> <li>7. Seek feedback from OLA Executive Board and membership.</li> <li>8. Obtain approval from OLA Board for final design.</li> <li>9. Work with graphic designer on final design and completion of logo image files and usage guidelines.</li> </ol>
<b>Progress on goals and objectives</b>	Complete through current materials.	Project is nearly complete. Final design and usage guidelines should be finished within a month.
<b>Goals for 2011-12</b>	Sort, weed, and organize OLA "financials" and Treasurer files (1970-2005).	Report back to TF on final decision of OLA Executive Board. Task force should be dissolved once the files and guidelines are received and approved.
<b>Comments</b>		<p>There is an opportunity for the logo to be customized for each OLA division. The Board needs to decide how to approach this issue.</p> <p>The idea of a tagline was explored but no consensus could be reached. The task force feels that a tagline should be directly linked to the organization's mission statement. That work has yet to be completed by the organization. Perhaps this should be a goal for 2011-12.</p>
